Subject- Regarding extension of the section through OASIS.

Dear Sir,

With the reference to the above mentioned subject, we would like to seek your permission for the extension of the sections. Our school is affiliated with C.B.S.E and our affiliation number is 830731 and the school code is 45648.

As per the C.B.S.E. circular no- (CBSE/CE/CIRCULAR/2023) dated 02 August 2023, we are advised to have the 40 students per section. To do so we are trying to fill the students details in the OASIS 4.0 from the last couple of days but unable to complete the process.

While entering the details in OASIS 4.0, we are getting a POP UP stating that *(Form Submission Unsuccessful. Try Again. You cannot exceed the total no. of sections which was running previously.)*

After checking the details in the OASIS 4.0, we came to know that there is a mistake in the TOTAL AREA OF SCHOOL IN

SQUARE METERS. Actually, the total area of our school is **8360 Square Metres**. The area was also inspected by the CBSE Inspection Committee in 2017. We also have the grant letter from CBSE. But, In OASIS 4.0, instead of **8360 Square Metres**, only **3300 Square Metres** of area is reflecting . Hence, we are unable to extend the sections for our school as per the CBSE by laws. We have tried to edit the column but it is completely Inactive.
